#### **HOTEL SCAM ALERT:**

***It has come to our attention that our conference attendees, specifically exhibitors, are being targeted in a housing scam. If you are contacted by ANY company other than CHI, or one claiming to be the official "housing service" please do not do business with them. Cambridge Healthtech Institute does not utilize any third party booking service. Many of these companies ask for advance payment, and should you contract with them, you may be unable to confirm, make changes or even receive a refund, should the need arise, and reservations are often canceled without advance notice.***
